NCR SelfServ™ 27

Premium Exterior Through-the-Wall Cash Dispenser

Attract customers with an exceptional ATM experience

Designed to catch the attention of your customers, the SelfServ 27 has a modern and contemporary look and feel including the latest multi-touch capability. It's an ATM experience your customers will want to keep coming back for again and again.

The SelfServ 27 performs brilliantly in locations where cash is in constant demand and will handle the highest transaction volumes due to our new S2 Media Dispense Module.

Availability

Keep your ATMs up and running, offering your customers the transactions they want, when and where they need them. NCR's express recovery and self-healing technologies reduce downtime from hours to minutes—making your ATMs available around the clock.

Consumer Experience

SelfServ 27 is a fusion of digital design and the powerful S2 Media Dispense Module from NCR. Designed to meet global media handling requirements, the S2 Media Dispense Module is key to providing secure and reliable access to cash for consumers at the ATM.

Security & Performance

The SelfServ 27 is designed with security at heart. Ask us about our multi-layered approach to ATM security. Including a range of physical enclosures, security cameras, recessed PIN Pad and software security to protect your network.
